Self-driven and curious product thinker with hands-on leadership, client-facing, and data-driven problem-solving experience – comfortable moving fast in ambiguous, startup-paced environments.

Education

VIT Bhopal University

B.Tech. in Computer Science, Artificial Intelligence; CGPA: 8.01/10

Sehore, Madhya Pradesh

Sep 2023 – Present

Delhi Public School, Bongaigaon

Higher Secondary (12th) & Secondary (10th) Education

Bongaigaon, Assam

Apr 2021 – Mar 2023

Leadership & Volunteer Experience

BashCraft Club, VIT Bhopal University

Core Member, Social Media Team

- Selected as a core member of the Social Media Team after standing out for talent and initiative; recognized by the Faculty Coordinator and President for direct, measurable influence on the club's growth and reach over a full-year tenure.
- Shaped the club's social voice and content strategy across platforms, contributing to consistent growth in community engagement and outreach.

Bhopal, Madhya Pradesh

AY 2023 – 2024

Boys Hostel Student Council, VIT Bhopal University

Council Member (1 of 22)

- Managed volunteer workflows and resolved high-pressure logistical bottlenecks while onboarding 3,500+ incoming students during a 1-month induction phase – work the Chief Warden later cited by name in a formal letter of recommendation.
- Led coordination for a 22-member council; gathered and analyzed recurring feedback from students to shape decisions administration signed off on.

Sehore, Madhya Pradesh

Sep 2024 – May 2025

Experience

PenguinApps

Product & Development Intern

- Worked directly with real-time clients throughout a product build, sharpening client communication and presentation skills through live project pitches and feedback cycles.
- Pitched a working MVP directly to stakeholders under real deadlines – the pitch converted into secured client investment, honing my ability to translate technical work into business value.
- Coordinated a multi-stage validation process with the engineering team to ensure deliverables consistently met client requirements, cutting manual review effort by 40%.

Mumbai, Maharashtra (Hybrid)

Sep 2025 – Nov 2025

SGS Technical Services Pvt. Ltd.

Business & HR Intern

- Talked directly with stakeholders across Retail and Operations in a Tier-2 market, turning data and competitor research into decisions leadership actually acted on – strong analytical and problem-solving work under real business constraints.
- Built the Excel tracker the team adopted as its single source of truth for spotting trends and flagging outliers.
- Owned candidate coordination end-to-end for live hiring drives – scheduling, communication, documentation – with zero dropped threads.

Indore, Madhya Pradesh

Jun 2026 – Jul 2026

Entrepreneurial & Product Projects

ManifestAI | 0-to-1 Product Launch & Client Pitch

- Turned a raw idea into a working storytelling platform, sitting shoulder-to-shoulder with product, design, and engineering to shape what the user actually experiences.
- Kept the whole launch on track solo – timelines, deliverables, dependencies – then stood in front of international stakeholders myself to walk them through it, earning the green light to take it live.

Sep 2025 – Nov 2025

Skills

Product & Analytical: Problem-Solving, Data-Driven Decision Making, Requirements Gathering, Market & Competitor Research, Metrics-Driven Iteration

Communication & Leadership: Stakeholder Management, Client Presentations, Team Leadership, Cross-Functional Collaboration, Community Engagement

Tools: Excel, SQL, PowerPoint, Basic Python

Achievements

- **Smart India Hackathon 2023** – Built and pitched a working prototype under time pressure, beating 225 competing teams to win VIT Bhopal's internal round – an early bet on entrepreneurial, ground-up problem-solving.
- **Design Patent (Reg. No. 449246-001)** – Took an original product idea from concept to a granted registration with the Patent Office, Government of India.
- **Published Researcher (NEXGCI-2025, Springer)** – Co-authored the paper and presented it via a structured PowerPoint presentation to an international academic audience, reflecting a curious, self-driven approach to problem-solving.
